## FLEX ROUTES

Flex Routes are bus routes that provide local service and connect to other UTA services. The service is unique because riders can use the planned route or they can call to schedule the bus to pick them up or drop them off up to ¼ mile from the fixed route. These scheduled deviation requests are on a first-come, first-served basis, and a bus may deviate up to 2 times each trip, with restrictions.

The fare for standard service at designated bus stops is the same as any other local bus or TRAX service. The fare for a scheduled deviation is the standard fare plus \$1.25. This covers both a pick-up and a drop-off deviation for one ride.

### CURB-TO-CURB SERVICE

UTA will stop at the nearest curb to pick up and drop off riders. Operators will also assist riders as they board. UTA cannot provide door-to-door service and will not go to the door, knock, or assist customers through the door. The bus will not stop if the rider is not standing at the curb when the bus approaches.

Because these buses can deviate from their fixed route, schedule timepoints are approximate. The bus may run 10-15 minutes after the listed timepoints. The bus will never bypass a timepoint earlier than scheduled.

### HOW TO SCHEDULE A PICK-UP OR DROP-OFF

To schedule a trip or ask questions, call 801-287-7433 between 8:30 a.m. and 3 p.m., Monday through Friday.

If you need an early morning trip (before 11 a.m.), call the day before to schedule your ride.

Deviation requests can be made from 2 hours to 7 days in advance.
